Stage Introduction (Option 3 Bob only)

Some of us are lucky if we ever get a chance to write just one song. Our next artist has written over 1000. Having penned songs for artists such as Cher, Michael Bolton, Kiss and Judas Priest (just to mention a few) which have collectively sold more than 30 million units, he now finds complete joy in penning songs for his celtic pop/rock band CEILI (pronounced kay-lee) RAIN. Hailing from Syracuse, NY...please welcome...
